

Matrix Concepts recognised among Top 10 developers at MDA 2024

Matrix Concepts Holdings Bhd has secured a spot in the Top 10 list of the Malaysia Developer Awards (MDA) 2024.

KUALA LUMPUR: Matrix Concepts Holdings Bhd has secured a spot in the Top 10 list of the Malaysia Developer Awards (MDA) 2024.

MDA honours developers which have demonstrated excellence in creating innovative, sustainable and high-quality projects that contribute to the growth of the real estate sector.

In a statement today, Matrix Concepts said it has bagged an award under the top-of-the-chart award for companies with market capitalisation of RM1 billion and above category.

"The recognition reaffirms the company's steady growth, industry leadership, and unwavering commitment to delivering quality developments that enrich the lives of communities.

"Matrix Concepts' inclusion in the Top 10 is a testament to the company's ongoing dedication to building bonds and bridging lives through thoughtfully designed townships and developments," it said.

Matrix Concepts chief executive officer Chai Keng Wai said the recognition highlights the company's continued focus on community-centric developments and its efforts to deliver projects.

"We are proud of this accomplishment, and we are excited to continue growing, pushing boundaries, and shaping the future of Malaysia's property landscape," Chai said.

In addition to its growth in Negri Sembilan, Matrix Concepts has made significant strides in expanding its footprint across Malaysia.

The company's developments in Johor and the Klang Valley have been well-received, reflecting its ability to meet market demand for innovative, modern homes.

Internationally, Matrix Concepts has successfully completed projects in Australia, further enhancing its reputation as a developer with a global outlook.
